

APRIL 2021 RELEASE NOTES

New Feature

Title	Description
Track & Trace	Use FlashTrac to monitor all information related to our new Track & Trace service offering.

Maintenance

Title	Description
Order entry 2.0, confirmation to add parts	Added a message prompt to ensure that parts are added to orders. "There are no parts on the order, please add parts before continuing."
Log table maintenance	Updated some maintenance tables to support FlashTrac performance.
UI Issue on Place Order	Corrected issue where Place Order button was not clickable when browsers are set to less than 100% zoom.
