

Release Notes: December 2022

Maintenance

Title	Description
Customer Order Dashboard Updates & Improvements	<ul style="list-style-type: none">• Search for orders by date range, up to 90 days• New filter option 'Origin Region' allows delimiting orders to a specific region of origin, such as the US, Latin America, Europe, or Asia Pacific• 'Origin City' column renamed to 'Origin City/Bucket' and now provides both the 'Origin City' and 'Bucket'• Hitting the 'Enter' key now automatically returns results and applies any selected filters• Dashboard column headers now "freeze" when scrolling through orders so you can easily identify the columns all the way down the page
Update to Review Item Availability Tool	Obsolete parts will no longer display when parts are queried.
General Maintenance	Additional bug fixes and performance improvements
